Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: Dr. Linnik presented an overview of the invention. Claim rejections under 35 USC 112 first and second paragraphs and 35 USC 102(b) were addressed. Specifically discussed issues raised in the final office action dated 11/14/2007, with respect to claim limitations, dosages, sustained reduction of antibody levels and their respective support in the specification. Additionally discussed proposed claim limitations to overcome the teachings of the prior art. Applicants indicated that they would consider filing a Rule 1.132 Declaration with respect to clinical data on LJP394 .
